Hi Nancy!

In about two more months we won't be able to tail over those jeep tests in French anymore. C'est dommage!! Hope we'll all be able to see each other even now and then. I am watching him for me next year & keep him straight. Best of luck to you! A Junior Marshall and Beta Club member shouldn't need much luck though.

Sincerely,
Dorothy J.

Nancy, I have greatly enjoyed being in your history class this year. I would like to wish you the very best of luck, success, and happiness in your future years, in school and afterwards. Again I

Nancy,
 Well, here I be and I don't know exactly where
 to begin. I remember the 6th grade; we sure did
 have it rough unless Miss Watson, but I've
 had worse since then. Now comes the suggest
 and most talked about year, the 7th grade.
 I must say I certainly have turned down
 since then. Joe Bester's party was really a
 great one ?? I think ?? The boys come around
 about five times to see us. Compliments of
 was the night I slapped Sam.
 Our great basketball team had to celebrate
 a very victorious season. My having a "winny
 road". Those days took me up and
 really gave me heck, after we left there
 we went to Dickie Haller's and everyone's
 parents were looking for them.
 Now here we are in the 8th grade
 and sure seems like no time since
 we got here. On a way I am going to miss
 this place, if I ever get out of here.
 The Sr. that was graduating will
 leave this place pretty soon. I don't
 know who we'll date. I wish you and
 Kuer and Neil and I could get together
 some night. I'm sure we would have
 a ball.!!?? Ah, well!!

Dear Nancy,

Well, just think one more year and ya will be out of high school. Boy: will we be glad to get rid of your outfit. (you sorrow juniors.) No really ya'll have a pretty good class. I don't think we could get along without ya. Remember when we used to live in the good old south end. I think the south end is better than the north. I will never forget the time we dated with Neil and Frances. Boy: we had a ball didn't we. Then there was the time we dated with Jim and Caroline, Jim Craig and Ladell, when we went to the ball game at Taylorsville, Dick and Barbara stayed behind us all the way back. I will never forget the time we went to Charlotte with Neil and Frances. P.D. and Harriet, see the hockey game. That was one more night when we got something to eat. It was a real treat. I think we got home about one o'clock. (didn't we?)

LOOK TO THE

FUTURE

Opportunities today in the textile industry are truly unlimited. New man-made and natural fibers, with their almost limitless uses, are continually opening newer and broader fields for manufacturing, research and development, design and merchandising.

Burlington Industries, a young organization, which had its beginnings in North Carolina only 34 years ago, is today the world's leading textile concern.

Because of its broad diversification, Burlington offers to the young man or woman seeking a career in textiles truly unlimited opportunities in every phase of the textile field.

Hey, Nancy, Rhyme,

This year has been great. Wasn't it? I just think next year we'll be high and mighty seniors. In a way I'll be glad to leave this place but then I think of what we'll do after next year is over. I fall of us can get in the same home room next year we'll have it made. We've been pretty lucky so far. I've had almost

Maybe next year we'll be able to. I hope so. The Tr. Sr. was the greatest. All of us girls really worked hard on it, but it was fun. I wish we had it to do over again. I wonder what kind of Tr. Sr. they'll give us next year. That's the night I just didn't come in.

Nancy.

Well we have just about past another great year. We have had to do a lot of work but we have also had a lot of fun. You know it's too bad that a nice sweet girl like you are (sometimes) had to get in the old sorry Jr. class.

Really Nancy you are a great gal and I think you are a wonderful person. I never will forget the two big dances we went to together last year. You were bad luck and we had a wreck! It was all your fault. Then the next week we

Newton Glove Manufacturing Co.

night we really had a ball didn't we? When we were over at Kaylor's we really had fun. I never will forget how we stood on the porch and waited for Buzzy to take me home. You didn't have any shoes on so you stood on my feet to keep you warm. Been flat footed ever since.

NEWTON, NORTH CAROLINA

Sincerely you are a wonderful girl and I hope you will always keep your nice sweet smile and will

Dear Nancy,

Time has really past fast and here we are Juniors. Just think we only have one more wonderful year together. The **Autographs** things we have done and the parties we have been to I will always remember.

Remember when we were were freshmen? We really had some good times after the football games and at all these good 'ol parties. I remember the one we had after the Sadie Hawkins dance. We all spent the night with Caroline. We hardly got any sleep at all and about 5:30 decided we wanted to take a little walk around the block. As I remember pajamas. I just about stole a bottle of chocolate milk from someones porch.

Then there was the party Tyler had when we all went to Marion to see the basketball games. That was really fun - meeting the basketball players afterwards.

We didn't do too much last year. I mean as far as parties are concerned. We did have a big blast after the annuals came last year at Nancy Young's house. I have never written so much in my life.

We really had a ball at the J. S. this year didn't we? I still haven't gotten tired from lack of sleep yet. We are going to have to have a big blast at the river next year.

I am almost out of paper here so I had better close. Best wishes to a real sweet girl. I hope we will always be good friends. Love, Diane Winters
